4 March 1963

CORONA/MURAL/LANYARD Scheduling' 25X1A called me the afternoon of 1 March, stimulated by Ainterest of Dr. Scoville and and said that SSD claims that the can move the next CORONA/MURAL shot up from 22 March to 18 March. The LANYARD mission No. 8001 is still forging ahead for launch on 16 March entered that this contrasts with the 15 March date I have seen on Maj forecast. Said there was no spare payload at time for LANYARD. 25X1A	MEMORAN	IDUM FOR	: Operation	ns Division,	Office of Special Activiti	68
